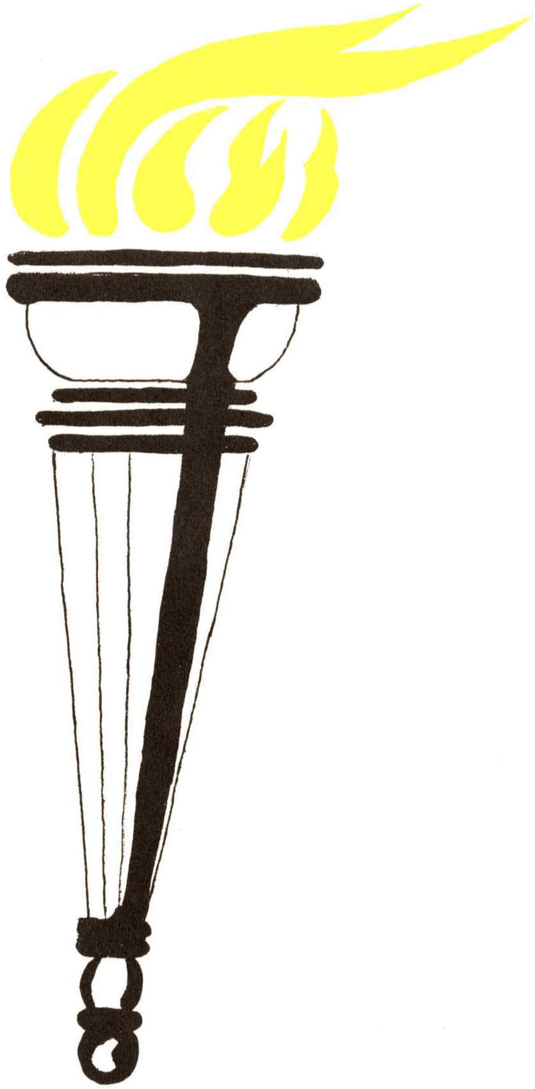
Our 1966 Growler Is Dedicated To
Our Principal, Mr. Claude L. Stauter

Things Go Better
With Coke



As the principal of Moss Point High School, Mr. Claude L. Stauter has greatly influenced the lives of many teachers and students, who have become better individuals because of their association with him. His friendly smile and encouraging words have won him the respect and admiration of all who know him. From his presence his listeners carry away some of his own warmth of spirit . . . his great humanitarianism . . . his own courage . . . and his conviction about the importance of excellence in education. His willing and tireless assistance has gone to teachers and students by the thousands.

For being one of the great principals of our time, we proudly dedicate the 1967 Growler to Mr. Claude L. Stauter.

The Moss Point Municipal School District is very fortunate to have Mr. Claude L. Stauter as a member of its faculty.

Mr. Stauter was born in Moss Point and graduated from Moss Point High School in 1939. After attending Mississippi State University as a Freshman, he went into the service as a marine. He attended Perkinston Junior College as a Sophomore and was graduated from the University of Southern Mississippi in 1949. He received his Masters degree in school administration from Southern in 1960.

Mr. Stauter has taught at Escatawpa for two years. He was assistant principal to Mr. Bullock for four years and has been principal for the past six years at Moss Point High School. He was coach for the Moss Point Junior High football team for three years and varsity line coach for three years.

Because of his most outstanding service to Moss Point High School, we, the annual staff, honor Mr. Stauter in this 1967 Growler.

Teacher Of The Year
Mr. Walter Mullen

The Teacher of the Year Award is sponsored annually by the Student Council. The honor is given to a teacher whose ideas, attitudes, and teaching are representative of the ideal instructor. The teacher must show a devotion to duty, social conscience, sincerity in purpose and tolerance of fellow workers.

The Student Council is very proud to announce that Mr. Walter Mullen is Teacher of the Year for the 1966-1967 school year.

Mr. Mullen has been a member of the teaching staff at Moss Point for many years. Because of his sincere interest in his students, his untiring work as the sponsor of the Student Council, and his hours of hard work and effort in directing the Jr. and Senior plays, Mr. Mullen has gained the respect and deep admiration of each Moss Point School student.

Surely Mr. Walter Mullen is very deserving of this distinguished award.

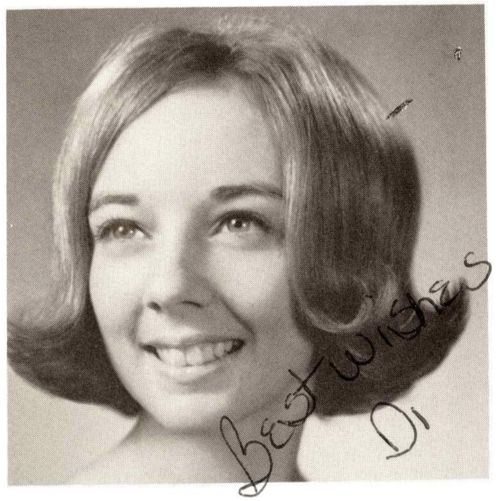
CLASSES

Judy Brumfield is an active senior who serves as president of Y-Teens. She represented the school in Girls' State and is an active member of the Tiger Flash staff, Beta Club, Student Council and Science Club.

At the close of the football season, she was chosen as Football Queen by the players because of her energetic and enthusiastic support of the team.

She was chosen to two positions in the Who's Who election, which included Most Likely to Succeed and Best Dressed.

We salute this outstanding member of the Hall of Fame.

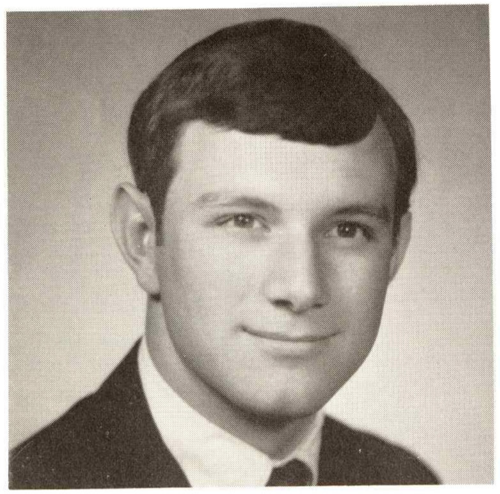


Best Wishes
Di

Di Colmer has served as cheerleader of the mighty Tiger team for three years, which is indicative of her active participation. She is also an active member of Y-Teens, Growler staff and Beta Club. She did a fabulous job in the talent division at the Beta Club convention when she and the Beta Balladeers brought recognition to Moss Point High School.

Her personality and school spirit have brought her the honor of being a member of the Hall of Fame.

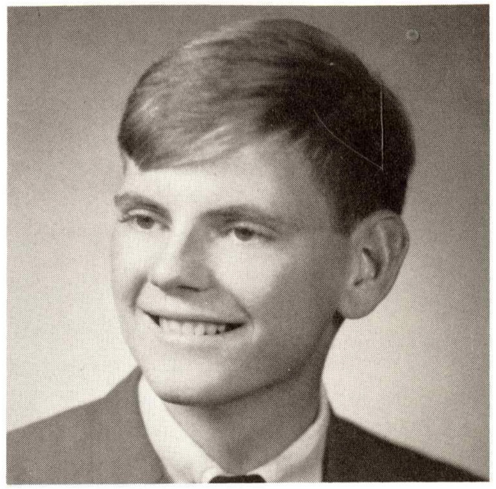
1967 Hall



Because of his quality of leadership exemplified in the excellent way he served in the positon of Student Body President, Jimmy Hannaford has been chosen as a member of the 1967 Hall of Fame.

In addition to his being a leader, he is also an accomplished musician and was chosen as a member of the Mississippi Lions All-State Band and as a member of the United States of America Band.

His friendliness and sincerity have won him the respect and admiration of the entire student body, which made it possible for him to win the highest honor in the Who's Who contest, Mr. Moss Point High School.



An accomplished musician who served for two years as drum major of the mighty Tiger Band is our Hall of Fame member Chester Harvey.

His versatility is indicated by the fact that he took an active part in two musicals, two plays, two carnival balls and served as an officer in many clubs throughout his high school years.

Wherever there is work, Chester is there doing more than his share which was exemplified in the excellent job that he did as business manager of the Growler.

His leadership and ambition gained him a great deal of recognition both in and out of school. He was awarded the Elks' Leadership Award and a medal for his scout work by Governor Paul Johnson.

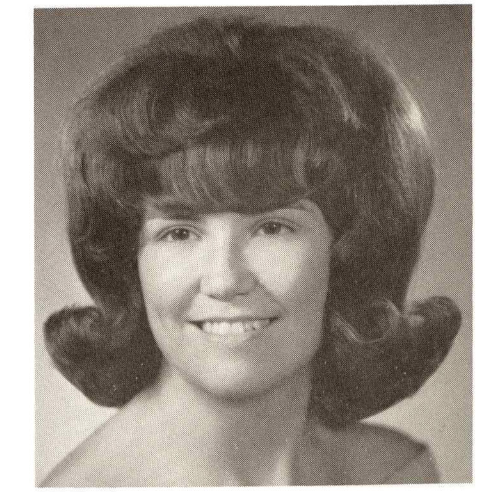
Realizing his great devotion and his ability to excel in many activities, the student body elected him as Mr. Tiger Spirit and Most Talented.

Leading our great Tiger football team in a very impressive manner throughout the season, Doug Hassell represented the school well as he directed the team to an 8-1-1 record. His winning the Red Carpet Sportsmanship trophy is indicative of his great athletic ability.

Politeness, friendliness and strong character have made him a favorite with all the students. He was elected to Who's Who every year throughout high school with the final honor being elected as Friendliest and Most Versatile.

All of these have made Doug Hassell a 1967 Hall of Fame winner.

Of Fame



Because of her scholastic contributions to Moss Point High School, Janie Ward has been chosen as a member of the Hall of Fame.

She is also quite active in Y-Teens and Glee Club and serves as an officer in FBLA and Beta Club.

She has well earned the honor of Valedictorian and the honor of being chosen Most Intellectual by the student body.

Her friendliness, personality and Christian character have contributed to her success as a scholar and citizen.

Best of Luck!
Rhonda

Rhonda Ehlers

As sponsor of the Growler, I take this opportunity to pay tribute to two of the most outstanding students at Moss Point High School. Kathy Bodden and Rhonda Ehlers, and to gratefully acknowledge their tremendous dedication and hours of endless work that have made this annual a success. Working with them has been a very enjoyable experience and has convinced me that Moss Point High School is truly great when it has graduates who possess the characteristics of leadership, loyalty and helpfulness in the high degree that these possess them. These characteristics have enabled them to be recipients of many honors and awards both in and out of school.

Kathy Bodden is a vivacious senior, who has not only contributed greatly to the school but also did an excellent job of representing the school on the state level with her participation in the Junior Miss Pageant in Meridian. Her winning smile and charming personality have caused her to be elected to many offices in Who's Who, including the highest office, Miss Moss Point High School.

Rhonda Ehlers has exemplified the qualities of dependability, intellect, leadership and conscientiousness as co-editor of the Growler. In addition to doing excellent work in this position, she has done a tremendous amount of work as an officer in the Y-Teens and Beta Club and as secretary of the Senior Class. She was elected by an overwhelming majority to represent the Senior class in the Carnival Ball and was chosen as an alternate in the Junior Miss Pageant. With her ability to excel in so many varied areas, she was very appropriately chosen as Most Talented in the Who's Who election.

ATHLETICS

Pre-Season Practice Pays Off

Tigers practice in pre-season heat, not-knowing that a 8-1-1 record would bring fame back to M. P. H. S.

Power, speed, and passing would give the Moss Point Tigers their best all-around backfield in several years.

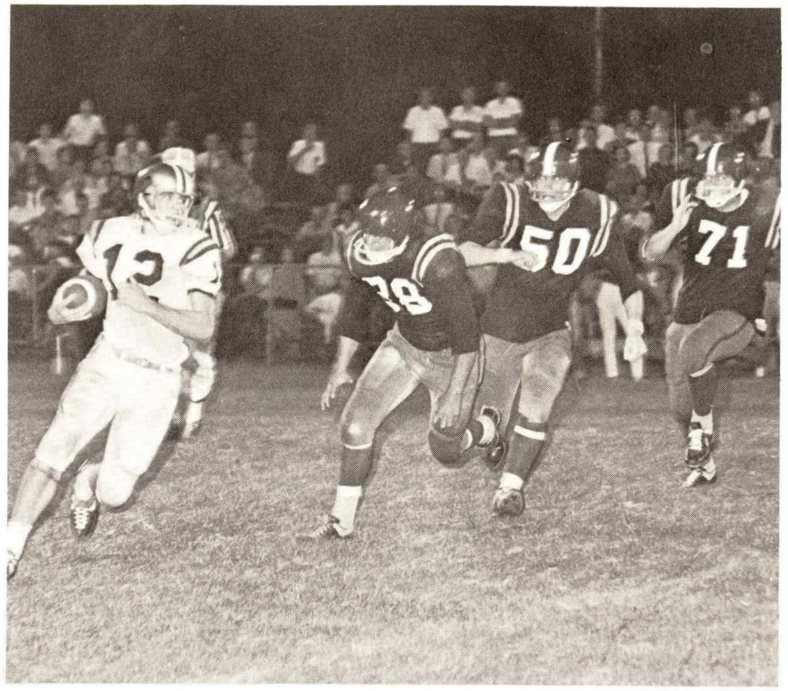
However, Coach Holmes knew that the defense would be a question mark in the Tigers' bid for a successful season.

The coaches knew that if the breaks would go for the Tigers instead of against them as had been the case in recent years, Moss Point could make a serious bid for the South Big Eight Championship.

Although predictions proved favorable towards the Tigers, there still was some doubt as to what the seasonal outcome would be.

But with the team effort, the constant pre-season practice, and a determined squad, the Tigers brought back the team into the running by finishing fifth in the state and having the most successful season Moss Point has ever had!

Tigers Open Season With A 23-21 Upset Over Hattiesburg

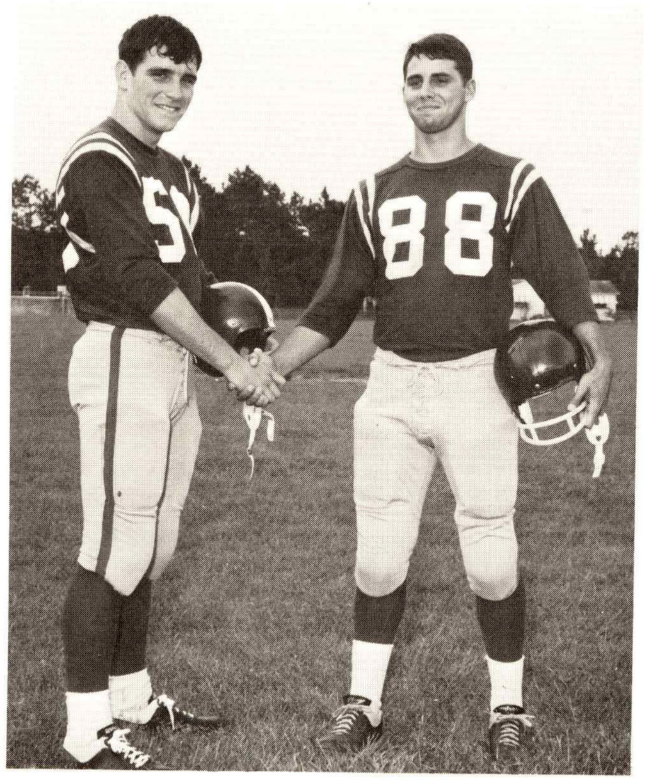


The Tiger defense reached its heighth that '66 year.

Captains

John Lindsay

Marty Scott



On September 9, 1966, the mighty Tigers made an impressive beginning by completely dominating the game until the final minutes when Hattiesburg scored two touchdowns to make the game close.

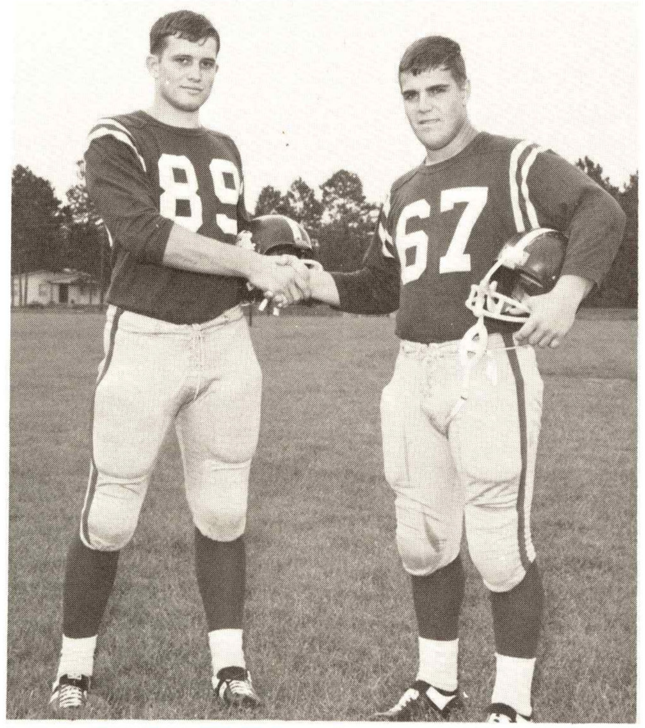
After recovering a fumble on the Hattiesburg 20, the Tigers scored in the first quarter when James crashed through for the touchdown. Shattles faked a kick for the PAT, but Hassell passed to Miller for the extra point.

After the Hattiesburg score early in the second quarter, the Tigers drove from their own 27 to the Hattiesburg 24 from where Hassell threw a pass intended for Tanner. The intercepted pass led to a Tiger safety when Tanner tackled the receiver.

The Tigers scored late in the second quarter on an 18 yard pass from Hassell to Tanner and again in the fourth when Hassell sneaked in from the one yard line.

Tigers Fall To Rugged Opposition

Biloxi edges win over the Mighty Tigers



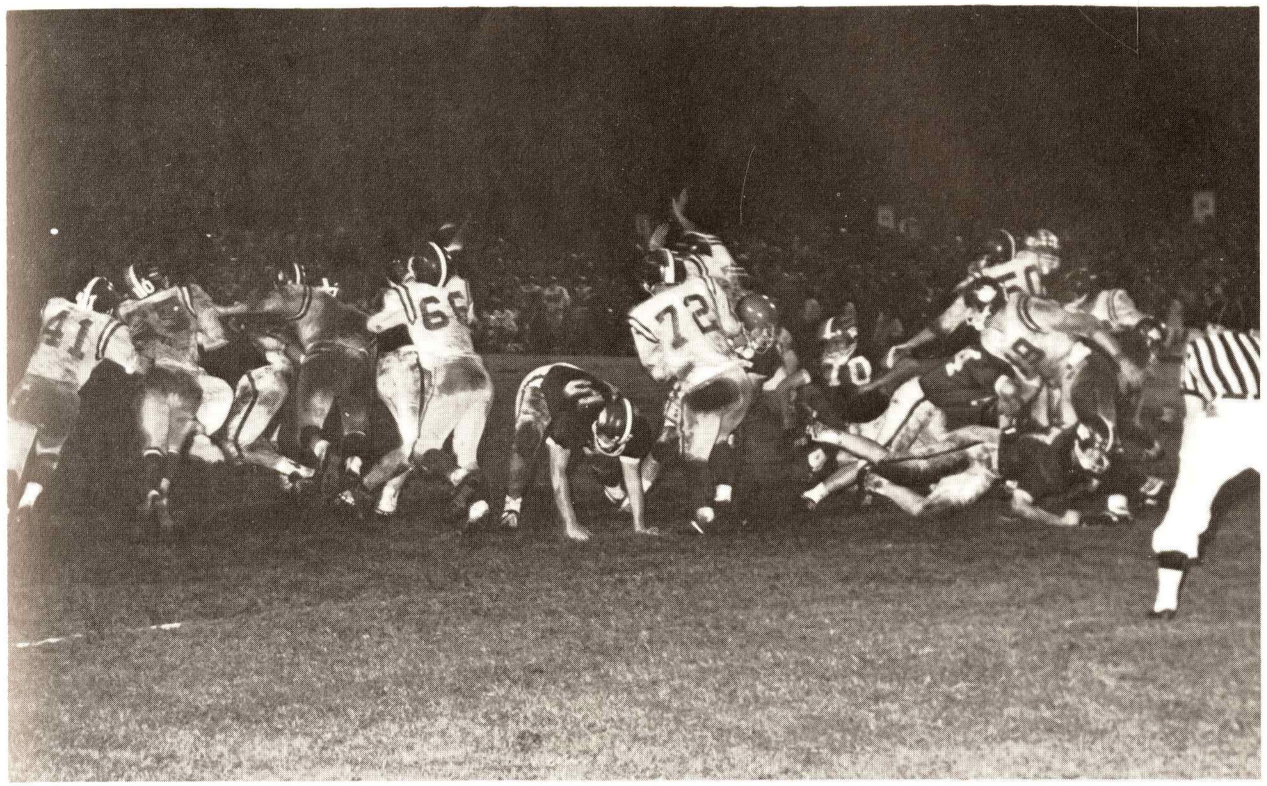
The Tigers battled the highly regarded Indians right down to the final whistle in a manner that is not reflected in the score.

After Biloxi pushed over for a touchdown in the second quarter, they had to fight off a Tiger charge that carried to the Indian's nine-yard line to prevent a tie at the end of the half.

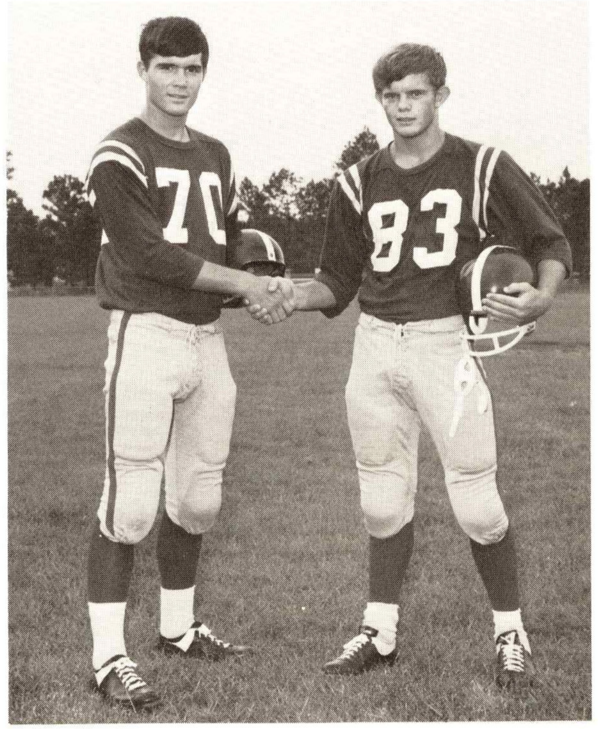
It wasn't until the closing minutes of the final quarter that the Indians managed to gain the upper hand with their second touchdown. The final score came on a ninety-four yard run from a pass interception.

Captains:
Bruce James and Rainer Shattles

Tigers Topple McGill



Captains
Gene Williams
Ernie Denmark



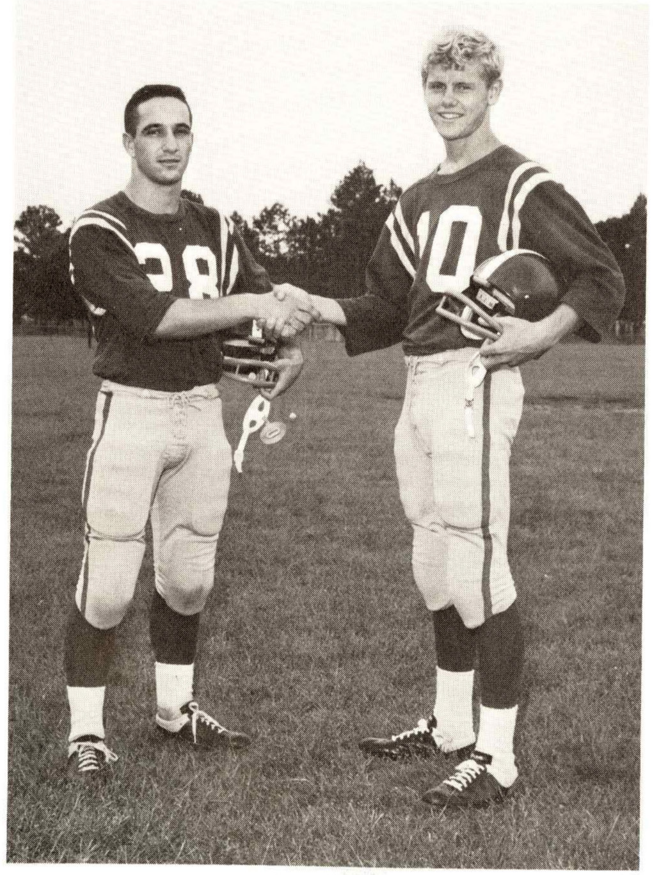
After a scoreless first quarter the Tigers came to life when big Bruce James crashed through the McGill defense to block a punt. After taking over on the 16 yard mark, second team quarterback Roy Dunn went over for the touchdown two plays later. The Tigers failed to get the PAT.

The Yellowjacket drive was stopped by Denmark when he intercepted a McGill pass and raced 69 yards for a touchdown to make the halftime score 12-0.

Moss Point took the halftime kickoff and moved 71 yards for the touchdown in 17 plays with James bursting through from a yard out on fourth down. Shattles added the extra point.

After the second string substitution, McGill recovered a Tiger fumble on the 45 and went over for the touchdown in nine plays.

Tigers Trample Columbia And Spoil Homecoming



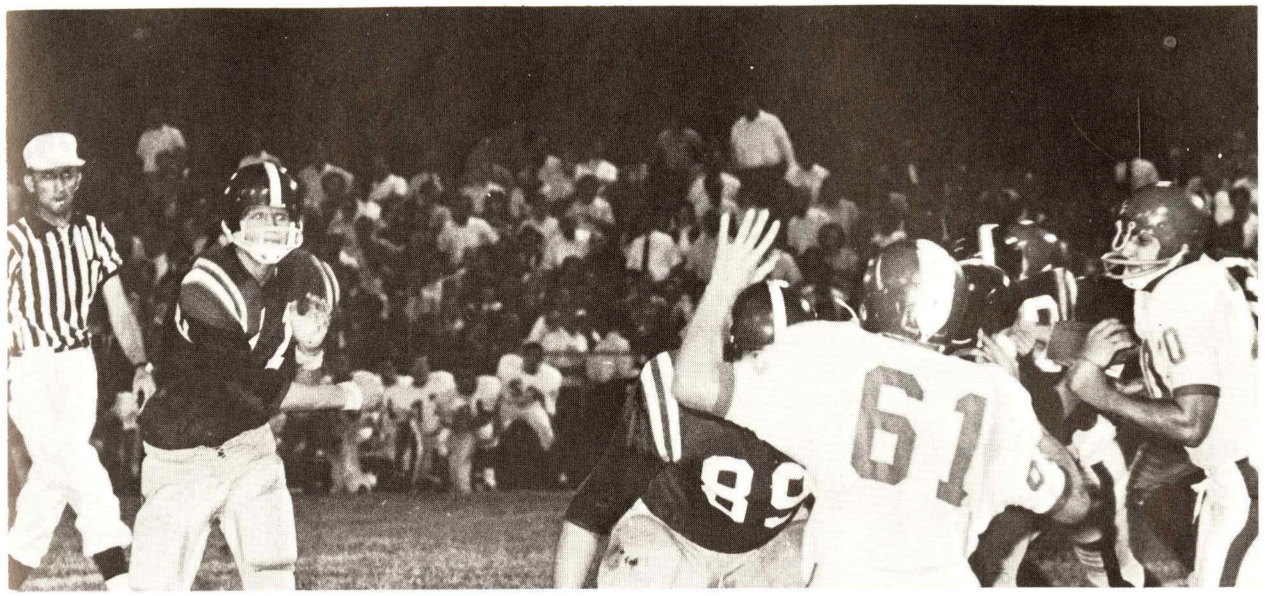
Eric Ardoin Captains Roy Dunn

In spite of the mud and rain Moss Point came up with their third win in an impressive manner.

The second time Moss Point got control of the ball, they swept down the field for 66 yards in 13 plays. Quarterback Roy Dunn got the first six points with a plunge for the end zone from a yard out. The extra point attempt was no good.

After a Wildcat fumble on their own 41, the Tigers marched on for a touchdown in 12 plays with Bruce James going over for the score. Shattles added the PAT. With the Wildcats fumbling again three plays later, the Tigers took over on the Columbia 45 yard line and Roy Dunn picked up his second touchdown on a 22 yard run. The PAT was blocked.

With the Wildcats attempting to punt on their own 17, the Tigers poured through the line and took the ball on the nine yard line. In three plays Hassell went into the end zone and Shattles kicked the PAT.



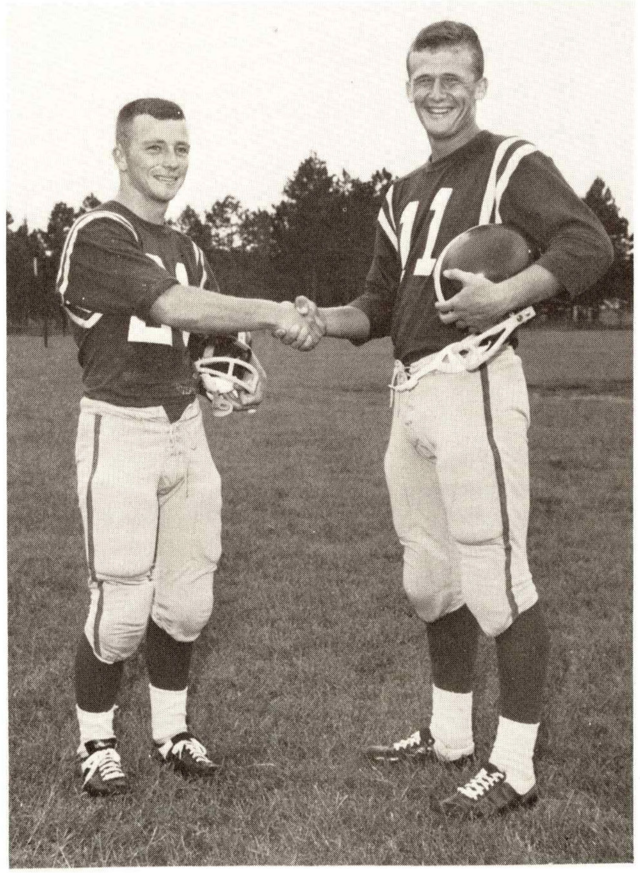
Vikings Are Unable To Tame The Tigers

After Columbia's only touchdown in the third quarter, the Tigers finished the game in fine style when James smashed through from five yards out. Shattles added the extra point.

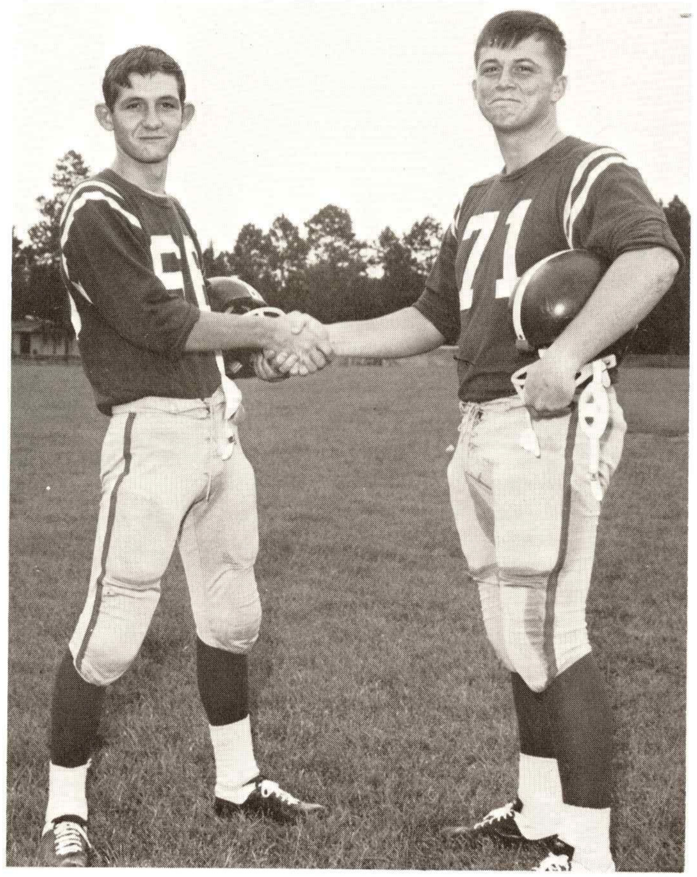
The Tigers took the opening kickoff and marched for a touchdown of 75 yards in eight plays as Bruce James plowed through carrying four Vikings into the end zone with him.

Moss Point faked a kick for the PAT, but quarterback Doug Hassell threw to fullback Jimmy Miller for what proved to be the Margin of victory.

The Vickings touchdown came midway of the second period. This ended the scoring as both teams faced strong defenses resulting in Moss Point's, having two long drives stalled at the Vikings two yard line.



Doug Hassell Captains Steve Renfro



Bill Robertson Captains Clarence Jordon

Tigers Mop Up The Tide

With the great running ability of Steve Renfro and the skill of the mighty Tigers, Picayune was soundly defeated on their own field as the Tigers chalked up their fifth victory.

In the last minutes of the first period, Renfro got the first touchdown on a 21 yard run around end that capped a 47 yard drive in four plays. The attempt for the PAT failed.

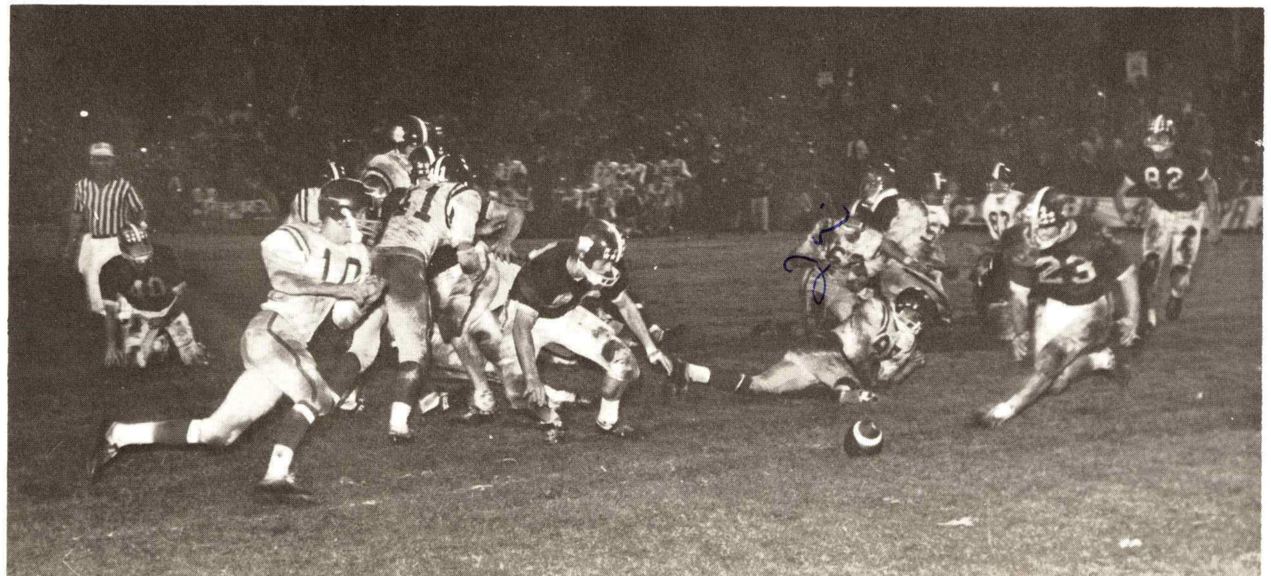
Early in the second quarter the Tigers increased the score as Renfro swept in again for the touchdown from 30 yards out. Shattles kicked the extra point.

Several plays later guard Bill Robertson recovered a Tide fumble on their 42 yard line. Bruce James climaxed a seven-play drive blasting his way through from four yards out.

A Tide gamble on fourth down gave the Tigers the ball on the Tide's 42 yard line. With 1:53 remaining, Renfro made his third touchdown on a 17-yard run to end the scoring for the first half. Shattles added the PAT.

With second team substitution, the Tigers came through with one touchdown in the third quarter after Shattles recovered a fumble on the Tide's 49. In the fourth play Jimmy Miller crashed in from the two yard line, and Shattles added the extra point.

Tigers fight with all their might



Tigers Demolish Falcons For Perfect Homecoming

The Tigers demonstrated why they are rated among the elite gridiron teams as they triumphed over Jackson Wingfield.

The Tigers went into action immediately during the first minutes of the quarter driving 68 yards for a touchdown. Big Bruce James raced through from nine yards out. The PAT attempt failed.

The Tigers also scored the second time they got the ball. Again powerful James crashed through from a yard out to cap a 59 yard drive. Shattles added the extra point.

After a Wingfield threat was stopped on the nine, the Tigers began their 91 yard scoring drive. Quarterback Hassell capped the drive on a one-yard plunge making the score 20-0 after Shattles added his extra point.

In the third quarter the Tigers took the ball on the Falcon 46 and went to the 5 with a 12 yard pass from Hassell to Tanner and a 25 yard gain by speedy Steve Renfro. From the 5 James crashed through and Shattles added the extra point.

Miller set up the next Tiger score by intercepting a pass on the Falcon 37. After 9 plays Renfro went in for the score.

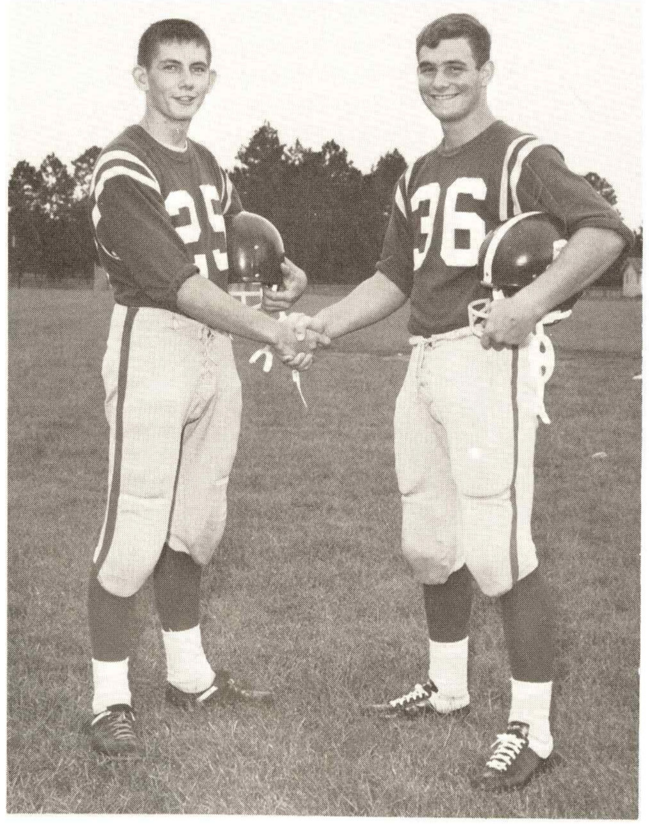
Moss Point Sinks The Commodores



Captains

Mike Jones

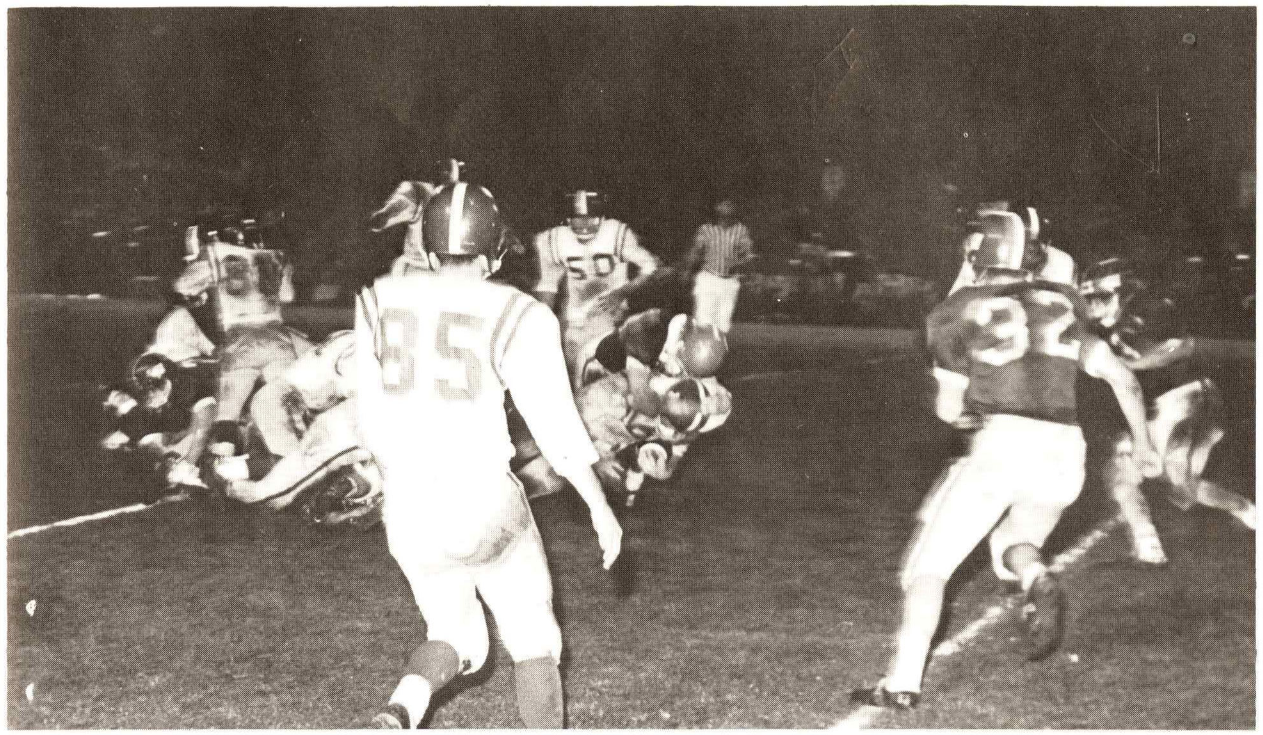
Gary Gibson

The unbelievable Tigers soundly defeated the Commodores for their first loss on their homefield since 1962.

In the last minutes of the first quarter, the Tigers took the ball at the Gulfport 48. On the second play a Hassell to Tanner pass gave the Tigers an 18 yard gain. From the 24, Hassell tossed a short pass to Renfro who shook off a tackle and went into the end zone, but an official ruled the Renfro was stopped at the 20. The Tigers kept moving and James put the Tigers on the scoreboard with Shattles adding the PAT.

Taking advantage of a fumble, Hassell passed 18 yards to Tanner to give the Tigers a first down inside the 10. Three plays later James had his second touchdown and Moss Point had a 14-0 lead with Shattles' PAT.

Gulfport's only score came late in the third quarter. The Tiger defensive team was impressive throughout the game.



Tigers Pound The Rebels

The victorious Tigers ran their season's record to 8 - 1 with an impressive win over the George County Rebels.

The Tigers wasted little time getting out front as they took the opening kickoff and drove 68 yards in 12 plays with James going over from the one.

Early in the second quarter, the Rebels went into punt formation on their own 25, and Clay broke through to recover the fumbled ball on the Rebel 19. On the first play Dunn went around end for the score. Shattles added the PAT.

Just before the half, the Rebels gambled on fourth down and lost on their own 49. Three plays later, the Tigers had another score which came from a five yard gain by James, a 33 yard pass from Hassell to Tanner. Shattles added the PAT.

After two 15-yard penalties, the Rebels went 69 yards for their touchdown.

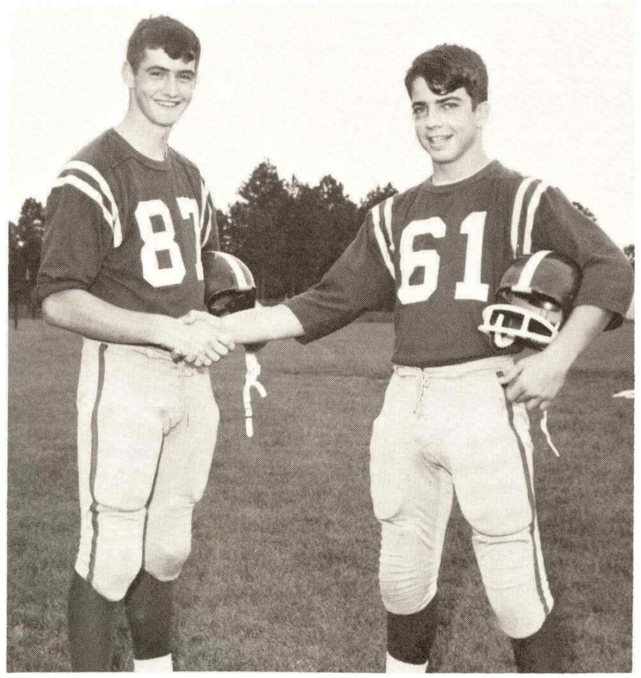
Seniors Finish Season By Battling Panthers To 7-7 Deadlock



Captains: Bill Jarvis, Rusty Winfree

The Tigers and Panthers climaxed their 1966 season in typical fashion by battling to a 7-7 tie in the rain-soaked War Memorial Stadium. The Tigers ended their most successful season in the Big Eight Conference with an 8-1 record.

The Panthers came up with their touch down in the second quarter when Russ Walker completed three key passes.

The Tigers touchdown came in the final quarter after the field was marred with mud and water. The Tigers, moving along the ground, stalled at the six, but Hassell completed a five-yard pass to Tanner. On the next play Hassell sneaked in from the one for the score. The PAT was a great example of Hassell's great skill and quick thinking. As Shattles lined up to kick, the ball slipped out of Hassel's hands. The veteran quarterback scooped up the ball and while being chased back by several Panthers, he jumped and threw a pass that was caught by diving Jimmy Miller to tie the score.

Red Carpet Bowl

On November 25, the Tigers completed a memorable season by participating in the Red Carpet Bowl in Vicksburg, when they were narrowly defeated by the Murrah Hustangs.

After Murrah scored early in the first quarter, the Tigers went into action on their own 30 and refused to be stopped until Hassell went over for the touchdown capitalizing a seventy-yard drive that featured Hassell's great passing and James' powerful running.

The Mustangs scored again in the closing minutes of the half after an interception gave them possession of the ball on the Tiger 29. Their conversion attempt was blocked by Richard Huff making the halftime score 13-6.

After a Mustang touchdown in the early minutes of the third quarter, the Tigers put forth a fine team effort and came up with two touchdowns, one in which James burst through from the seven and another in which Shattles raced 47 yards making the score 20-18.

With 4:21 remaining the Tigers took over on their own 20 and raced against the clock. When the Tigers lined up for a field goal attempt, the ball was blocked by a Mustang, who raced 69 yards for the touchdown making the score 26-18.

Coach Holmes Receives Honors

Coach Bobby Holmes

Coach Bobby Holmes was voted outstanding coach of the South Big-Eight Conference after doing an excellent job as coach of the mighty Tigers. While attending the University of Southern Mississippi, he received many honors and awards for his great athletic ability as quarterback for the team. His greatest recognition came when he was selected as a member of the Hall of Fame.

Since that time, he has devoted his life to coaching, and his great skill and inspiring qualities are quite evident when he produces a team like the 1967 Tigers. Moss Point High School salutes OUR South Big-Eight Coach of the Year.

Jr. Miss Pageant

On November 19, 1966, the Jaycees and Jaycettes sponsored the sixth annual Junior Miss Pageant in which sixteen contestants competed in the areas of poise, talent and physical fitness. The entire program was very entertaining, but the highlight of the evening was the talent division. The winner of the pageant, Kathy Bodden, whose personality also enabled her to become Miss Congeniality, entertained with a colorful calypso dance. Carol Randall, the first alternate, displayed her talent in a splendid manner by singing "Everybody Loves Somebody." Joan Boone, the second alternate, gave an excellent portrayal of Jo in LITTLE WOMEN when she sang "If I Were Only a Man." The third alternate, Cecil Ann Hately, added color and variety to the program when she sang "Bill Bailey." Rhonda Ehlers, the fourth alternate, captivated the audience with her portrayal of Scarlet O'Hara in GONE WITH THE WIND.

Happiness brings tears of joy.

1967 Carnival Ball

Arch Duke Dickie Roberts, King Rex Daniel Tanner, Queen Illia Nancy Prassenos, Arch Duchess Deborah Pinson.

Climaxing weeks of preparation, the 1967 Moss Point High School Band Carnival Ball was presented for the 25th year honoring King Rex and Queen Illia.

"South Pacific" was the theme of the best Carnival Ball ever to be held in the Escatawpa Gym.

The gym was enhanced with palm trees, draped fish nets filled with mermaids and seahorses, and flowered greenery of various description.

As one entered the "Hawaiian Paradise," one passed through a huge hut around the front doors. Hawaiian welcomers presented leis to all students and the court as they entered the gym.

The walkway led to the stage, set in a beautiful Hawaiian atmosphere with huts, flowers, and of course, the royal throne.

Completing the Hawaiian theme, Daniel Tanner and Nancy Prassenos were crowned King Rex and Queen Illia of the 1967 "South Pacific Dreamland."

Junior's Present

Finder's Creepers

Now let me tell you all about it.

All Right! Who did it?

On December 9, 1966, the Junior Class presented "Finder's Creepers." The three act comedy was written by Donald Peyton.

Wilbur goes with Hercules to visit in the home of his aunt and uncle which turns out to be a mortuary. They find a body that isn't dead but very much alive. This leads the boys to believe Mr. Quibbley's sister and lawyer have tried to murder him. Along with this there is romance and plenty of comedy. The mystery of who tried to murder Mr. Quibbley was finally solved by Hercules cousin Frankie who is mad about mysteries.

Seniors Present
Our Hearts Were Young And Gay

The Senior Class presented a three act play "Our Hearts Were Young and Gay" on March 31, 1967. It was written by Cornelia Otis Skinner and Emily Kimbrough.

Emily and Cornelia were taking a trip to Europe with Cornelia's parents, but on a different boat.

They had many exciting things to happen on the boat, such as meeting two American medical students, Leo and Dick, killing a man, or so Emily thought, and smuggling Cornelia, who had the measles off the boat.

Cornelia tries to take acting lessons from Monsieur De La Croix in Paris, who is only interested in her Father, an actor.

Cornelia stages a dramatic monologue when she finds out Monsieur De La Croix things she has no talent. Surprisingly she finds out that there are possibilities in dramatic monologue as a career.

Emily, who is very naive, receives her first kiss before returning home, so she and Cornelia return home having had many new experiences.

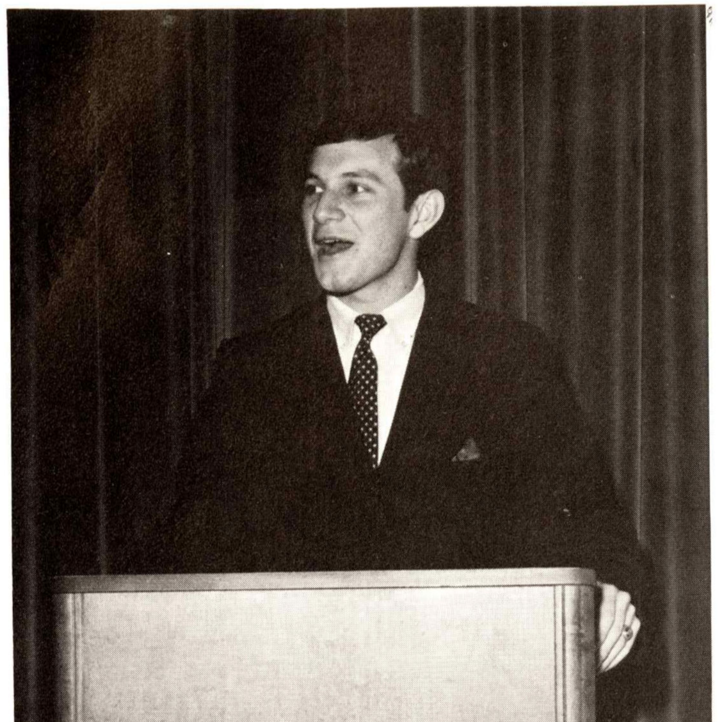
Mr. Moss Point High School

Jimmy Hannaford



The warm smile and friendly words of Jimmy Hannaford have greatly influenced the students at Moss Point High School. Filling his position as Student Body President in a dignified manner, he has gained the respect and admiration of teachers and students. These are a few characteristics that have made him deserving of being Mr. MP.H.S.

His versality is evidenced by the fact that he not only excels in responsible leadership, but also in the field of music. He has contributed greatly to the school band and was chosen as a member of the Lions All-State Band and the U.S.A. Band. He was Student Conductor all four years and rated superior each year at the Miss. Band Festival.

Because of these many admirable qualities and his true Christian character, you, Jimmy Hannaford, have been elected Mr. M.P.H.S. for 1966-1967.

JUST A MINUTE. . .

We the members of the 1967 Growler Staff, in order to form a more perfect annual, have been through many trials to present these '67 memories.

The 6th period annual editorial staff has suffered through 4 Bassett quite games, 50 Harvey temper tantrums, 13 spastic fits of Addye, and have been harassed by the Tiger Flash Staff daily.

We have built up our courage 26 times in order to face Mr. Stauter and have brought the wrath of Miss Manning on us twice for being too boisterous.

We made 5, 286 mistakes, 10 long distance phone calls, lost one key, skipped 33 classes, used 47 pencils to the nub, chewed 50 packs of doublemint gum, broke one typewriter, worn out 2 typewriter ribbons, eaten 40 boxes of Cracker Jacks (with toys), sold 2, 880 bars of personalized candy, and been grossed out by 5 candy salesman's samples.

We've cleaned the Staff room 5 times, broke Mr. Stagg's camera 3 times, peddled concessions at 13 ball games, and taken 534 pictures.

To let off steam, we gave ourselves 1 Christmas party, complete with tree, decorations, music, and food; given 3 birthday parties, built and stuffed 1 giant-size Tiger to humiliate Goula, torn 1, 286 sheets of paper for confetti that we were barred from using, and given one pep rally in honor of John Lindsay in the Staff Room.

To provide ourselves nourishment 6th periods, we emptied the trash can 9 times in order to smuggle 43 cokes from the teacher's lounge by "Trash Can Express."

In completion of the 1967 Growler, we Kathy, Rhonda, Addye, Mary, and Chester have become immortal enemies from having to cope with each other in 6th period for 152 school days.

After all this displeasure, if you for some odd reason do not like and cherish your '67 Growler. . . . . .

Babo,
There are so many things that I want to remember and write about our Senior year. We've had some good times together some we can't quote some we barely can say without censorship! Remember Dauphine Island, the Fast Tanning Sun Lamps, the unwearable bathing suit, Edgewater Plaza, Sixth Period everyday, after the Prom when we dropped pork chops, glared at diamonds and legs, the Amusement Park — the octopus and the bumper cars! Remember that wild Saturday when whet floundering! You fell on the log and rolled ten miles down the beach!! Wonder what those people smelled when they walked into their camp!!? Your drain will never be the same with half of your house stopping it up!

Last but not least, remember our friendship! You are the best friend I have ever had. You are a wonderful person with a smile that could make a lemon smile back. Don't ever stop being Babo.

Oh, well, we've got next year and the years after that. When you and Glenn get married and he changes his name to Glenn Allen "Eienstein", drop a care package by my house!

Good Luck!

Cecelia,
It has been great knowing you all these
long, trying years. Remember all the goofy
things we did at Hollis'. Best of luck to
you + Glenn. I hope your lives will
be fulfilled to the most.

Baby -
Lets never forget some of our
wild times and I do mean
wild - The Vapors was great
those few times we went -
I'll never forget that night we
went over but couldn't get in -
that was too stupid! Davis -
place, Dauphin Island, Pick,
Vicksburg and Biloxi and just
flat staying at home - You have
just made my Sr. year great - and
I'll always love you. I wish you
and Glen the very best and like
I said have a lot of Babies so
I can baby sit!! I sure wish
you were going to Pick - but
you had better come up all the
time. Well I guess this ends our
High School days although it doesn't
seem right - But College will be better.
Maybe we can make a few trips
up to State to see Sty & Glen -
Remember all the shows we've
seen - and the pigs - wow - But
we haven't skipped a few times
our Sr. year but all has
been great. And I want to
stay your friend forever - May
God Bless you always and
Good Luck in the future -
Love Always
